

Now Hiring

# Project Manager

ECAS is looking for Project Managers to oversee and direct C&S, M&E, or Geotechnical projects. The PM will be responsible for coordination between the firm and our clients, will communicate with all stakeholders, and will manage the community outreach programmes. The PM will visit the project sites every day to inspect the work and report back to all stakeholders involved.

## Responsibilities

- Oversee and direct projects
- Work closely with all stakeholders involved
- Act as a communication bridge between our firm and our clients
- Manage public outreach programmes and databases
- Visit the work sites daily to inspect work done
- Lead investigation into any incidents arising from the works

## Requirements

- Registered Professional Engineer with the PEB in Civil Engineering, M&E Engineering or Geotechnical Engineering
- At least 5 years of experience in project management
- Experience with government agencies
- Able to meet tight timelines and handle stress
- Able to work independently and with a group of engineers

If you feel like you meet the above requirements and would to take on the challenge, please email us your CV and cover letter to [hr\\_eqr@ecas.com.sg](mailto:hr_eqr@ecas.com.sg).  
We are afraid only shortlisted candidates will be contacted.
