

Now Hiring

Specialist Mining Inspector (SMI)

The Specialist Mining Inspector (SMI) shall have a minimum of ten (10) years experience in supervising micro-tunnelling and mining works of similar level of complexity in the Civil Contract.

If you feel like you meet the above requirements and would like to take on the challenge, please email us your CV and cover letter to hr_egr@ecas.com.sg.
We are afraid only shortlisted candidates will be contacted.

ECAS offers civil, structural, geotechnical, mechanical, and environmental engineering services to clients of the public and private sector in Singapore. Drawing on our 20 years of experience, we provide consultancy, design and accredited checking services with expertise in rail, bridges, tunnels, and building works.

The logo for ECAS, consisting of the letters "ECAS" in a bold, blue, sans-serif font, enclosed within a blue rectangular border.
